

Accessories

Slogan: We deliver fresh air.

Name: Hose Clamp

Construction:

Stainless steel

Product features:

- Lightweight
- Excellent joint
- create a leak-proof seal
- Basic configurations

Application: Pipe clamp

Structure: Spring stainless steel

Power : 35W, 75W, 130W

size : 3"-24"

Band width: 8mm, 12.7mm

Band thickness : 0.6mm, 0.7mm, 0.8mm

screw : M5-M10

Packing : opp bag + carton or mixed passage

Sample : available

Slogan: We deliver fresh air.

Name: Adhesive Tape

Construction:

Aluminum foil

Product features:

- Lightweight
- Waterproof
- Easy installation
- Heat resistant

Application: Fixing

Material : aluminum foil /glass-fiber cloth

Usage : Masking

Width : 25mm-1000mm

Color : Silver/gray

Temperature : -20°C~120°C

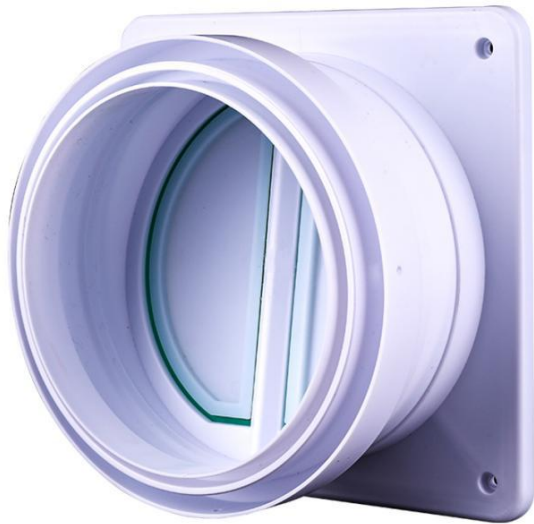

Design printing : No

Side : Single side

Length : customized

Slogan: We deliver fresh air.

Name: Backdraft Damper

Construction :

PP

Product features:

- Lightweight
- Pollution reduction
- Easy installation
- Long-lasting

Application: HVAC system, dryer, air conditioner etc

- Function :
1. Looseleaf design helps stop air from entering.
 2. Double-looseleaf design maximizes the air flow.
 3. Looseleaf opens and closes automatically according to the air velocity.
 4. Air flow ceases, Looseleaf closes automatically to stop air reversing.

Power : 35W, 75W, 130W

size : 150mm, 180mm

Color: White

Material : PP

Packing: opp bag + carton or mixed passage

Diffuser

Slogan: We deliver fresh air.

ABS Round Air Diffuser

Construction:

ABS

Product features:

- Lightweight duct
- Cost effective
- Easy installation

Name : Round ABS air diffuser

Thickness : 1.2mm

size : 6", 8", 10", 12"

function : ventilation

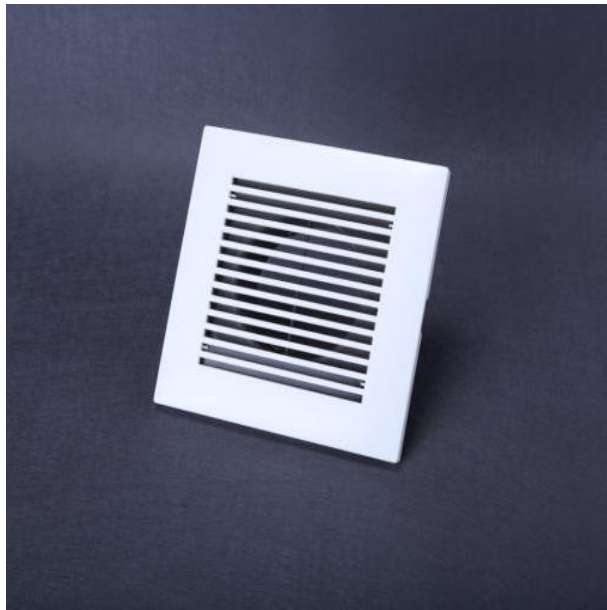

usage : HAVC System

Material : ABS

Surface finish : powder coating

Package : POF/cardboard

Slogan: We deliver fresh air.
ABS Square Air Diffuser

Construction:

ABS

Product features:

- Lightweight duct
- Cost effective
- Easy installation

Name : Square ABS air diffuser

Thickness : 1.2mm

size : 6", 8", 10", 12"

function : ventilation

usage : HAVC System

Material : ABS

Surface finish : powder coating

Package : POF/cardboard
